Dear Johnathan Smith,

We know it can be difficult to remember to replace your supplies, so we have partnered with ResMed ReSupply™ to send you reminders, allowing you to easily order replacement supplies regardless of manufacturer.

Replacing your disposable supplies on a regular basis is an important part of therapy. In an effort to make it convenient for you we have the following options to choose from to place a reorder.

- Call **(844) 371-8195** to use our automated system or speak to a live representative.

  or

- Visit our web portal at **myresupply.resmed.com** using the email address provided at setup.

We appreciate you as a customer, and we noticed you haven't ordered supplies in a while. Since you haven't indicated a need to order, we plan to pause contacting you for resupply. Not to worry, just contact us using one of the methods mentioned above whenever you'd like to reorder CPAP supplies.

We hope your therapy is going well. Please let us know if you have any questions.

Sincerely,

The Generic Organization Staff
